B1212S Depository Safe

The drop slot depository safe offers a quick and easy way to instantly secure cash. This safe allows staff to make deposits directly into the main compartment without opening the door of the safe and gaining access to its contents. Securing your cash and valuable assets over the course of daily operations helps to reduce the threat of internal and external theft. All these features, coupled with outstanding customer service and 24/7/365 live technical support, give you the peace of mind your assets are secure.
