Adjustable Shelf (8)

This heavy-duty solid steel safe is designed for commercial use. This large unit provides ample storage and with two independently locking doors it allows for the separation of high value inventory to reduce the risk of a potential loss. It comes with four adjustable shelves per side providing flexible internal configurations for storing inventory of varying sizes. Securing your valuable assets in these versatile safes helps to reduce the threat of internal and external theft. All these features, coupled with outstanding customer service and 24/7/365 live technical support, give you the peace of mind your assets are secure.

Robbery and Theft Deterrent Features:

- ◆ B-rated safe with 1/2" thick solid steel doors
- ◆ Auto door detents
- ◆ Thick 1" in diameter, live locking bolts
- ◆ Adjustable, ball bearing hinges
- ◆ Spring-loaded relockers
- ◆ Four anchoring holes in the bottom
- ◆ Equipped with commercial grade UL tested electronic lock
- ◆ Optional – locks that allow multiple user codes, time delay, and time and date audit trail
