Service You Deserve, Tradition You Trust

MB442620IC Depository Safe

The mailbox drop depository safe offers a quick and easy way to instantly secure cash. This safe allows staff to make deposits directly to an inner compartment with its own key allowing you to limit access to the contents. The main compartment of the safe can store other valuable assets. Securing your cash and valuable assets over the course of daily operations helps to reduce the threat of internal and external theft. All these features, coupled with outstanding customer service and 24/7/365 live technical support, give you the peace of mind your assets are secure.
